### President's Message By Larry Browning

I hope everyone had a good summer and is getting ready for fall. We should get together on September 14. Joanne and I thought it would be a good idea to not have a formal speaker and just give everyone a chance to visit with each other. Perhaps we can find out how the 2004 NorthernPlains Convective Workshop turned out, and talk about this summer's weather. We can also find out about the science fairs last year and plan for the future. This will be a good chance to just visit and see everyone again.

Hope to see you Sept. 14.

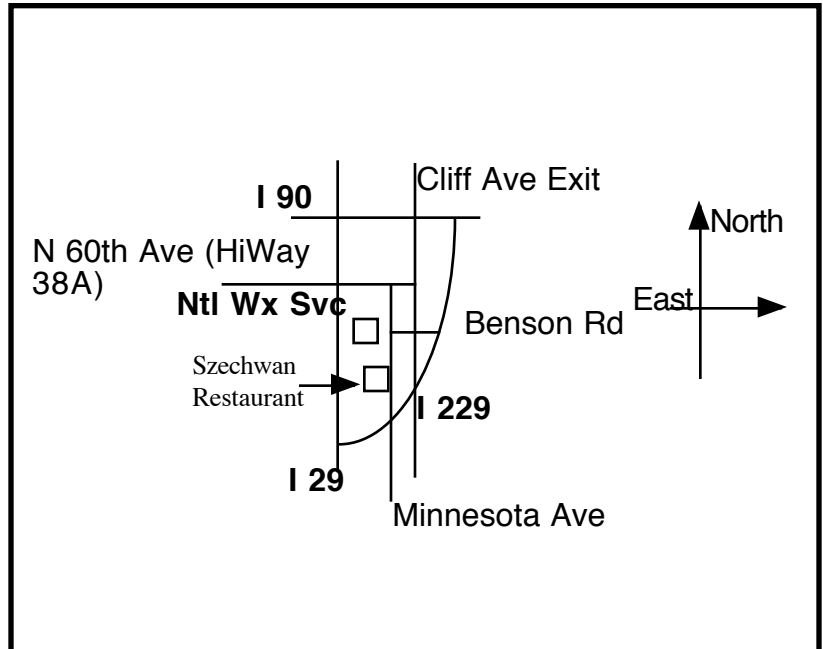

Larry
